**Founder of Gastric Cancer Help Group and Esophageal Patient's
Support Organisation**

Prof. S.M. Chandramohan (Servarayan Murugesan Chandramohan)
MB.MS.M.Ch.FAIS,FACS,FRCS,FIMSA

FORMER PROFESSOR & DIRECTOR
Institute of Surgical Gastroenterology
Center of Excellence for Upper Gastro Intestinal Surgery
Rajiv Gandhi Government General Hospital
Madras Medical College, Chennai, India.

Born: 16 October 1957

Place of Birth: Thanjavur, Tamil Nadu, India

Address: 46, Medavakkam Tank Road
Kilpauk, Chennai – 600 010, India

Phone: Residence - +91 44 26425414
Office: +91 44 2836 2836 / 2836 4545
Mobile: +91 98410 31888

Email: smchandra@yahoo.com

Marital Status: Married.

EDUCATION

MEDICAL

MB BS (1974-79), Thanjavur Medical College, University of Madras

Internship(CRRI),(1980-81) Thanjavur Medical College

M.S (General Surgery),(1981-84), Madras Medical College,University First

M.Ch. (Surgical Gastroenterology), (1987-89), Madras Medical College, University of Madras

PRE-MEDICAL

Pre University Course (PUC),(1972-73), Rajah Serfoji Government Arts College, Thanjavur

School Education completed in 1972: St. Antony's High School, Thanjavur

POSITIONS HELD IN SERVING THE GOVERNMENT

04-07-1984 to 09-12-1985: Medical Officer, Government Primary Health Centre, Nallur (Rural Service)

11-12-1985 to 26-05-1987: Assistant Professor, Department of Surgical Gastroenterology, Madras Medical College and Government General Hospital, Chennai

26-05-1987 to 31-03-1989: Underwent M.Ch (Surgical Gastroenterology) Superspecialty Course at Madras Medical College and Government General Hospital, Chennai

01-04-1989 to 02-05-2001: Assistant Professor, Department of Surgical Gastroenterology, Madras Medical College and Government General Hospital, Chennai

02-05-2001 to 06-09-2008: Professor, Department of Surgical Gastroenterology, Government Royapettah Hospital and Kilpauk Medical College, Chennai

07-09-2008 to 04-11-2014: Professor & Head, Department of Surgical Gastroenterology, Center of Excellence for Upper Gastro Intestinal Surgery, Rajiv Gandhi Government General Hospital, Madras Medical College, Chennai

05-11-2014 to 31 10 2015: Professor & Director, Institute of Surgical Gastroenterology, Center of Excellence for Upper Gastro Intestinal Surgery, Rajiv Gandhi Government General Hospital, Madras Medical College, Chennai

31 10 2015: Retired from Government Service on Superannuation.

FELLOWSHIPS

Fellow of American College of Surgeons (FACS)

Fellow of Association of Indian Surgeons (FAIS)

Fellow of Royal College of Surgeons (FRCS)

Fellow of International Medical Sciences Academy (FIMSA)

MEMBERSHIP IN INTERNATIONAL SOCIETIES

Distinguished Member of The Enlarged Working Group for International Gastric Cancer Association (IGCA)

American College of Surgeons ACS (FACS)

International Society for Diseases of the Esophagus (ISDE)

International Gastric Cancer Association (IGCA)

International Gastro Surgical Club.

The Cardio-Thoracic Surgery Network (CTSNet)

MEMBERSHIP IN NATIONAL SOCIETIES

Association of Surgeons of India (ASI)

Indian Association of Surgical Gastroenterology (IASG)

Indian Society of Gastroenterology (ISG)

Indian Association of Palliative Care (IAPC)

IndiaClen

Indian Association of Endocrine Surgeons (IAES)

Ostomates India

Association of Colo Rectal Surgeons of India

Indian Hepato Biliary Pancreatic Association

POSITIONS HELD IN INDIAN ASSOCIATION OF SURGICAL GASTROENTEROLOGY

Secretary, 2013-2016

POSITIONS HELD IN ASSOCIATION OF SURGEONS OF INDIA

Secretary, Tamil Nadu and Pondicherry Chapter of ASI, 2000-01.

Treasurer, Madras City section of ASI, 1998-99

Convenor for CME programmes, South Zone, ASI, 1997-98

Executive Committee Member, Tamil Nadu and Pondicherry Chapter of ASI, 1998-99

Executive Committee Member, Tamil Nadu and Pondicherry Chapter of ASI, 1996-97

Treasurer, Madras City section, ASI, 1995-96

Joint Secretary, Tamil Nadu and Pondicherry chapter, ASI, 1995-96

Executive Committee Member, Madras City section, ASI, 1991-92 and 1993-94.

COUNCIL MEMBER IN INTERNATIONAL COMMITTEES

International Gastric Cancer Association (IGCA)

Membership Committee Member, International Society for Diseases of Esophagus (ISDE)

Asian Co-ordinator for pilot centres in Oesophagology (OESO)

MEMBERSHIP IN COMMITTEES

Member, Academic and Professional Selection Committee, for Professorship of GI Surgery, AIIMS, New Delhi

Member, Selection Committee for Faculty in GI Surgery, JIPMER, Pondicherry

Member, Board of Studies, The Tamil Nadu Dr MGR Medical University.

Member, Ethical Committee, Ethiraj College for Women, Chennai.

Executive Committee Member, South Zone, IHPBA.

Board of studies The TN Dr. MGR Medical university.

INSPECTOR FOR ACCREDITATION OF M.Ch / DNB SUPERSEPCIALITY TEACHING PROGRAMME IN SURGICAL GASTROENTEROLOGY

- Medical Council of India
- National Board of Examinations

EXAMINER FOR SUPERSPECIALITY DEGREE IN M.Ch and DNB in GI Surgery

- National Board of Examinations
- The Tamil Nadu Dr MGR Medical University
- Sri Ramachandra Medical College and Research Institute (Deemed University)
- Kerala University
- Delhi University

INTERNATIONAL ACADEMIC VISITS:

Invited Lectures and Presentations - Malaysian Upper GI Surgical Society (MUGIS) – 12-13th October 2019

Faculty for the 14th International Surgical society for Diseases of the Esophagus , Vancouver, Canada September 2014 – Delivered a lecture on ‘ **Reconstruction after corrosive injury** ‘ and chaired 2 sessions.

Professional visit to Prof. Donald Low, Professor and Head, Thoracic and Esophageal Surgery, Virginia Mason Medical Centre, Seattle, USA ,September 2014

Member of enlarged working group committee on Gastric Cancer Management –Member of the Draft Committee of the Charter Scaligero on Gastric cancer - titled. “**RATIONALE OF ONCOLOGICAL FOLLOW-UP AFTER GASTRECTOMY FOR CANCER.**” International Gastric Cancer Congress 2013 –Verona Italy , June 2013

Faculty for the International Gastric Cancer Congress 2013 –Verona Italy, June 2013

Chairman –S.M. Chandramohan

Freepaper On Other Malignant Neoplasms Of Stomach

Poster session on Oesophagogastric malignancy

Observer in Liver transplantation – King’s college Hospital London May 2013

Faculty for the European society of Thoracic surgeons 2013 conference - Debate on the Management of large Tracheoesophageal fistula

Observer, Seoul National University College of Medicine, Department of GI Surgery and Cancer Research Institute with Prof. Han-KwangYang. April 2011

Observer, Section of Thoracic Surgery, Prof. Osugi, Osaka City University, Japan, October 2010

Scientific Visitor, Prof Mark B Orringer, Section of Thoracic Surgery, University of Michigan, Ann Arbor, USA 2009

To contribute in the International Conference of the International Society for Diseases of The Oesophagus – Budapest, Hungary – 2008

To contribute in International Conference of United European Gastroenterology Week, 07, Paris, France. 2007

To contribute in the International Surgical Week 2007 held at Montreal, Canada 2007

To contribute in the Surgical Leaders Summit 2007 held at Beijing, China 2007

To contribute in the Asia Pacific Gastric Cancer Congress, National University of Singapore, 2006.

Invited International Faculty for the Birmingham Review Course – Annual Event for The Consultants appearing the FRCS CTh Exit Examination 2005.

To contribute in The 58th International Conference of The Japanese Association of Thoracic Surgeons 2005 held at Okayama, Japan. 2005

To contribute in the International Conference of The International Society for Diseases of The Oesophagus, held at Madrid, Spain 2004.

Invited to deliver a lecture on “ Management of Corrosive strictures and Oesophageal Cancer, organized by the Surgical Society of Sri Lanka 2004

Invited to deliver a lecture on Abdominal Tuberculosis at University of Oxford, Cambridge organized by The International Medical Sciences Academy 2002.

Invited to participate in a symposium on GI cancer, held at Panthai Medical Center, Kuala Lumpur, Malaysia – 2001.

Scientific Visitor to the Department of Surgery under the leadership of Prof. Glyn G. Jamieson, The University of Adelaide, Australia 2000.

As a scientific visitor to Prof. Tom De Meester, Dept. of Foregut Surgery, University of Southern California School of Medicine, Los Angeles, USA, 1999.

To contribute the original work on Bronchobiliary Fistula December 1999 Asia Pacific Hepatobiliary Conference held in Kuala Lumpur, Malaysia. 1999

To deliver the following lectures at Bronx Lebanon Hospital, New York – Lectures on Abdominal Tuberculosis, Abdominal Hydatidosis, Corrosive Injury to the GI Tract and Oesophageal Cancer in India. 1999

Scientific visitor Prof. Mark B. Orringer, Thoracic Surgery, University of Michigan, Ann Arbor, USA 1997

To contribute to the International Gastrosurgical Club Meeting held at Bangkok, Thailand.1995

As a scientific visitor Prof. Sydney Chung, Department of Upper Gastro intestinal Surgery, Prince of Wales Hospital, Chinese University of Hong Kong, Hong Kong, 1995

INTERNATIONAL GUEST FACULTY VISITS

Prof.H.K.Yang, Director,Gastric Cancer Centre, Seoul National University hospital, South Korea, January 2014

Dr Sun , Assistant Surgeon,Seoul National University hospital, South Korea, January 2014

Prof. Parthi Srinivasan, Consultant HPB Surgery ,King's College hospital London ,July 2013

Prof.H.K.Yang, Director,Gastric Cancer Centre, Seoul National universityhospital, South Korea, March 2013

Prof.Oscar Gonzalez, Endocrine,Bariatric and Metabolic unit, General Surgery Department, University Hospital Vall D'Hebron, Barcelona, March 2013

Prof.Simon Ying-Kit Law Professor in Gastrointestinal surgery, Hongkong university,China March 2013

Prof. Donald Low, Professor and Head, Thoracic and Esophageal Surgery, Virginia Mason Medical Centre, Seattle, USA visited the Department of Surgical Gastroenterology, Rajiv Gandhi Government General Hospital on 10 & 12 November 2010

AWARDS: INTERNATIONAL

Adopt a delegate program – Travel grant awards to five postgraduates of the Institute for their contribution to 14th International Surgical society for Diseases of the Esophagus, Vancouver, Canada September 2014

International Gastric Cancer Conference, Korea ,2011-
Won Two Best paper Awards for

1. Role of Sentinel Node Mapping in gastric cancer
2. Impact of Lifestyle in patients with Gastric cancer in Indian population

Two International Travel Grants for the Post Graduates working in the Department to attend the IGCC 2011 at Korea.2011

ISGIO – International Society for Gastrointestinal Oncology Conference 2009, Philadelphia, USA – Educational Travel Grant for the work on Sonic Hedgehog Pathway and its influence on Gli-2 Esophageal cancer.(Co author). 2009

JSS – Japan Surgical Society Overseas Travel Grant – 2009 for the 110th International Congress held at Fukuoka, Japan for the work on Oesophageal Tuberculosis(Co author).2009

62nd JATS Travel Grant (TWO AWARDS) to attend the 62nd Japanese Association of Thoracic Surgeons conference at Yokohama, Japan for the work on Arcade preserving antrectomy and Gastric Pullup in corrosive esophageal and antral stricture – A Technical Innovation. Restoration strategies in failed oesophageal replacements.2009

APDW – Asia Pacific Digestive Week, Taipei, Taiwan – 2009, Journal of Gastroenterology and Hepatology – Travel Fellowship for the work on Oesophageal Perforation Sonic Hedgehog Pathway and its influence on Gli-2 Esophageal cancer. (Co author)

ISSF/ISW – International Surgical Society Foundation / International Surgical Week – Adelaide, South Australia 2009 – Travel Scholar Award for the work on Total mechanical cervical anastomosis: is it a solution for anastomotic complications in oesophageal replacement
Unavailable colonic conduit: An Innovative technique of gastric pullup with corrosive antral stricture.(Co author)

JSS Overseas Travel Grant (TWO AWARDS) for the 108th International Congress of the Japanese Surgical Society held during April 2008 at Nagasaki, Japan for the work on Innovative Techniques using stomach as conduit in the management of combined oesophagogastric caustic strictures. Gastrocele due to double stricture following corrosive ingestion.(Co author)

60th JATS Travel Grant to attend the 60th Japanese Association of Thoracic Surgeons conference held during October 2007 at Sendai, Japan for the work on Oesophageal perforation management strategies Tuberculosis Dysphagia: A Review.

58th JATS Travel Grant (TWO AWARDS) to attend the 58th Annual Conference of The Japanese Association of Thoracic Surgeons Oct 2005 held at Okayama, Japan for The paper of - A new technique of coloplasty in the management of complex pharyngo oesophagogastric strictures International surgical excellence – “TP53 status in Indian Squamous Oesophageal Cancer”.(Co author)

AWARDS NATIONAL:

BEST TEACHER AWARD

Dr. B.M. Sundaravadanan Best Teacher Award, by the Association of Surgeons of India, Tamil Nadu and Pondicherry Chapter, at Annual Conference, August 2018.

IASGCON 2014- Best Poster award – Head coring vs no head coring for non head mass chronic pancreatitis

Best poster in IASG 2013 Kolkata
Stump Carcinoma

Best papers in IASG2012 Pune
MRNA in Gastric Cancer
Intussuscepting Rectal Lipoma
EGFR in Stomach cancer

BEST DOCTOR AWARD - The Tamil Nadu Dr. MGR Medical University received on Doctors Day-01 July 2012

BEST TEACHER AWARD – The Tamil Nadu Dr. MGR Medical University on 01 July 2011

IASG 2011, Jaipur – Best Paper Award for Influence of Lifestyle and Dietary patterns in Gastric Cancer

Finalist in the National HealthCare Awards 2010 organized by FICCI with the theme “Taking Healthcare to Masses”.

Tamil Nadu Scientist Award, given by the Department of Science and Technology, Ministry of Higher Education, Government of Tamil Nadu for the Scientific Achievements.2009

The Travel Bursary Award for the PG in the Department by the Indian Association of Surgical Gastroenterology to attend the IASGCON 2009 held at Mumbai, India for the original work on a "TOTAL MECHANICAL PHARYNGOCOLIC ANASTOMOSIS"

SANJEEVI AWARD on 06 July 2008 for Best Social Awareness and Empowerment Activities In the management of Corrosive Injury Patients.2008

The Best Upper Gastrointestinal paper award for "Estrogen Receptor in Oesophageal Cancer" at the 16th National Conference of the Indian Association of Surgical Gastroenterology – 2006, held at Sanjay Gandhi Post Graduate Institute of Medical Sciences, Lucknow instituted by Prof J Nonami, Aichi, Japan - 2006

Best Paper of Radiological Interest in the National GI Radiology Conference and Workshop 2006 held at Chennai for the Poster – "Giant Colonic Stromal Tumour" from The Prof Arcot Gajaraj Educational and Teaching foundation – TARGET.

Awarded the Best Research Paper from State Chapters – ASICON 2003, Pune for The TP53 Tumour Suppressor Gene and it's Influence on Squamous Oesophageal Cancer.2003

Annual Surgical Quiz – ASICON 2003 – by the PG at The National Conference of The Association of Surgeons of India held at Pune – Dec 2003.

AWARDS – STATE LEVEL:

Sundaram Award – Managing an unpredictable disease: Does Severity predict Prognosis or need for Surgery? An prospective analysis of the Revised Atlanta classification ASICON (TN &P Chapter) 2014

Bensam Award –Best poster award - Esophageal Tuberculosis mimicking malignancy ASICON (TN &P Chapter) 2014

Dr. Jasper Sandeep Rajasekar from our Department was granted the First place in the quiz competition held on hepatology

Best paper award – Dr. B.S.Ramamoorthy Award Esophagogastic foam Bezoar - first human case report - 68th State annual conference of IMA Tamil Nadu

Best paper award –Third place: A rare case of extra nodal histiocytosis presenting as an oesophago-gastric mass - 68th State annual conference of IMA Tamil Nadu

Best Paper Award – ASI Chennai
Giant hemangioma

Sundaram Award 2004(Co-Author)for the Best Research Paper for the Work on Optical Diagnosis in cancer done as a collaborative study with Department of Laser and Optics, College of Engineering, Anna University, Chennai and Department of Physics, King Saud University, Saudi Arabia

Best Surgical Paper– Giant Colonic Stromal Tumour – Association of Surgeons of India TN & P Chapter – Chennai City Section – Aug 2003.

Sundaram Award 2003 (Co-Author) for the Best Research Paper – Role of TP53 Tumour Suppressor Gene in Squamous Cancer Patients – State Conference of The Association of Surgeons of India held at Tuticorin done as a collaborative work with University of Madras, at the Department of Pathology, The Dr AL Mudaliar Institute of Basic Medical Sciences, Taramani, Chennai- 113

Sundaram Award 1994 for the best paper presented in the Annual Conference of Association of India, Tamil Nadu and Pondicherry chapter for the pioneering original work on “Complex Biliary Reconstructions”

AWARDS – UNIVERSITY

*Dr. Mohan Rau Gold Medal for overall first and highest score in the Madras University in M.S General Surgery University Examination, 1984

MAJOR CONFERENCES AND ACADEMIC MEETINGS ORGANISED

Member Organising committee, IASGCON 2015

Organised a CME on '**Managing Gastrointestinal Emergencies in Pregnancies**' –Madras Medical College –To commemorate international women's Day – March 8 2014

Organised an **International Conference and Workshop on Gastric Cancer** – January 24 and 25 2014 with Live demonstrations from Madras Medical College and International telepanels with participation of 18 international faculties from over 8 countries in 4 continents at Chennai as President .

CME programme – Departments of Surgical Gastroenterology, anesthesiology and Internal Medicine: **Managing Medical Problems in Surgical patients-A Practical Approach** -22ND SEPTEMBER 2013

Member Organising committee, IASGCON 2014

Organised an International and live video Workshop on a single theme 'Hepatocellular Carcinoma '**GH GASTRO UPDATE 2013** held at Chennai as President –August 24th 2013.

Organised an International Conference and Workshop **ESOINDIA 2013** – International Conference on Diseases of the Esophagus. Stomach and Obesity held at Chennai as President – March 13th to 15th 2013.

Organised a CME on 'Current trends in Gastroenterology –Madras Medical College –June 2012

Coordinator for Live Workshop in Colorectal Surgery in association with Association of Colorectal Surgeons of India– 21 April 2012

GHGASTRO UPDATE 2012 – National Video Workshop on Common Gastrointestinal Surgical procedures for the first time in the Country, 22 Standard GI Surgical Procedures were shown as Educational Videos to the Practicing Surgeons and Post Graduates on 10th and 11th March 2012 which was Endorsed by The TamilNadu Dr.MGR Medical University with CME credits.2012

Member, Organising committee, Youth Health Mela, February 2012 – An event organised for the Health Awareness for the youth .2012

Secretary General, International Conference, organised by the Indian Section of ISDE at Madras Medical College, where Live Surgeries were demonstrated and beamed to all six continents (for the first time in the Country all the Continents were linked) by Teleconferencing facility – February 2012

GH GASTRO UPDATE 2011 – Madras Medical College, Chennai – the update Programme Covered all the Common GI Problems which was attended by the Post Graduates and Practicing Surgeons from all over the Country which was Endorsed by The Tamil Nadu Dr.MGR Medical University with CME Credits. July.2011

Organized “Update in Gastroenterology for members of Indian Medical Association” CME where in the issues which General Practitioners will face were addressed. in April 2010

Organising Secretary, Annual National conference of Indian Association of Surgical Gastroenterology, Chennai, September 2008

Organising Secretary, TeleCME for Doctors in Primary Health Centres, June 2008

Organising Secretary, First International conference and workshop on diseases of the oesophagus organised by Indian section of International Society for Diseases of Esophagus, (for the First time all Complex Surgical and Non-Surgical Procedures were demonstrated by Eminent International and National Faculty) February 2003

Organising Secretary, Annual conference of the American College of surgeons, Indian section along with Society of Asian-Indian Surgeons of North America(SAISNA), February 2002

Member Organising committee, First International and second National Symposium of Trauma, Anaesthesia and critical care in collaboration with ITACCS, USA, 2000

Member, Organising committee, International symposium on Gastroenterology (Indo-British Medical Co-operation), Sri Ramachandra Medical College Research and Institute, January 2000

Joint Organising Secretary, Annual conference of American College of Surgeons, Indian Chapter, August 1997

Joint Organising Secretary, Annual conference of International College of Surgeons, Indian Section, South zone, July 1997

Joint Organising Secretary, Second Annual conference of American College of Surgeons, Indian Chapter, January 1996

Co-organising secretary, midterm conference of Indian Association of Surgical Gastroenterology, Madras, September 1995

Chairman, Souvenir Committee, 37th Annual conference of National Academy of Medical Sciences(India), Madras, March 1995

Member, Organising committee, Midterm CME of the ISG Tamil Nadu chapter, March 1995

Member, Organising committee, First All India Midterm Conference of Indian Association of Endocrine Surgeons, July 1994

Member, Organising committee, update seminar in Nursing care organised by National Academy of Medical Sciences and Department of Surgical Gastroenterology, July 1994

Chairman, Transport committee, All India Conference of Association of Surgeons of India, Chennai, ASICON, December 1993

Member, Organising committee, CME organised by Dr.NR Research and Digestive disease education trust and surgical faculty of Railway Hospital, Chennai, October 1993

Member, Organising committee, INDO-US CME programme organised by Medical Council of India and Department of Surgical Gastroenterology, Government General Hospital, Chennai, 1993

Member, organising committee, combined meeting on common Hospital equipments under the auspices of ASI and All India Manufacturers Organisation, Madras, May 1991.

Member Organising committee, Ostomy, Ostomates care progress session and workshop, Madras Medical College, January 1991

Member organising committee organised by Department of Surgical Gastroenterology, September 1986, February 1990, July 1994 and October 1994.

Deputy Secretary General, First Southeast Asian conference of International Gastro surgical club, Madras 10-13 February 1986

INVITED ORATIONS:

Prof R Ganesan, Endowment Lecture – “Memorable Patients in my Life” – IMA Conference, Trichy on 27th November 2016

Prof N Rangabashyam Oration on Carcinoma Stomach : Challenges on 13th August 2016

HARI OM ASHRAM PRERIT DR.S.RANGACHARI RESEARCH ENDOWMENT AWARD LECTURE -Isolated Corrosive Gastric Strictures – Strategies in Management and New Working Classification

Dr. C.Madheswaran from our Department was granted the Dr. Jayaseelan Mathias Oration on ‘Improving the Outcome in Gastric Cancer’

N. Sethuraman Oration –topic :Gastroesophageal Reflux disease, March 2013, Madurai

Trinity Oration –February 2013 –Department of Vascular Surgery – Surgery on esophagus –The Road less travelled

Sivanandham oration – July 2012 – ‘Management of Corrosive strictures of Upper GI tract’

INDO-US Winter Symposium 2012 – delivered a Guest Lecture on ‘Carcinoma Esophagus: Current Trends in Management’. Organized by The Tamil Nadu Dr.MGR Medical University.2012

Invited Oration and Guest lecture on Carcinoma Esophagus at Narayana Medical College, Nellore.2012

Prof. Kalyanasundaram Oration on ‘Colorectal Carcinoma’-Madurai.December.2011

Oration on ‘Managing Complex Corrosive Strictures’ –at the Mid Term CME organised the Indian Association of Surgical Gastroenterology VIZAG.2011

Invited by the Japanese Association of Thoracic Surgeons in October 2010 to deliver Guest Lecture on "Current Status of Oesophageal Surgery in India"2010

Prof Sathyavan Oration 2009 organised by The Department of Surgery, Government Rajaji Hospital, Madurai Medical College on Current Concepts In the Management of Carcinoma Stomach.2009

Dr.Gunasundari Bose Oration 2009 organized by The Indian Medical Association, Tamil Nadu Branch on Managing Complex Corrosives Strictures at Trichy.2009

Guest Lecture on "Memorable Patients" at the Annual CME programme organised by Annamalai University on 12 February 2009

Sadagopan Memorial Oration 2008 –on Common Gastro intestinal Problems in Industrial Workers organized by Indian Association for Occupational Health.2008

Invited as a Scientific Leader – Surgical Leaders Summit held at Beijing, China.

Dr N Sethuraman Oration 2006 awarded by the Madurai Branch of Association of Surgeons of India on Issues in Management of Complex Upper GI Corrosive Strictures.2006

Nominated to deliver the "Mathias Oration" on "Management of Oesophageal Cancer, Have We Won?delivered at the Annual Conference of Tamil Nadu & Pondicherry Chapter of ASI, 2003.

Nominated to deliver The Dr. Jaipal Singh Memorial Oration at the 63rd Annual conference of the Association of India at Pune for the year 2003.

Honoured by the DrA L Mudaliar Institute of Basic Medical Sciences, Taramani for the work on "Oesophageal Cancer". A.L. Mudaliar Endowment Lecture on 'Carcinoma Oesophagus in 2002.

Honoured by the Society of Asian Indian Surgeons of North America for the work on "Oesophageal Cancer" at the Annual Conference of the American College of Surgeons, Chicago, 2000.

PRESENTATIONS AT SCIENTIFIC CONFERENCES.(Author and Co-Author)

INTERNATIONAL

Malaysian Upper GI Surgical Society (MUGIS) – 12-13th October 2019

- Expression of C Met in Gastric Carcinoma :a prognostic and theranostic marker- a study in Indian population
- Location of Gastric Cancer: Has it changed over the years?
- EGFR overexpression in esophageal Squamous cell carcinoma- an immunohistochemical analysis in the Indian population Gastric Cancer
- Immunohistochemical expression of OCT4 in Gastric Dysplasia
- Laparoscopic gastrojejunostomy for Gastric Outlet Obstruction in children- an institutional experience from India
- Correlation of FDG uptake of primary tumor with histopathological differentiation in Gastric carcinoma
- Surgical management of Achalasia Cardia in children- A single team experience from India
- Role of PET vs. CT in assessing Gastric Carcinoma
- Influence of p53 expression in adenocarcinoma of Stomach- A Multi-institutional study
- Tumor budding as a prognostic marker for Esophageal cancer
- Post THE diaphragmatic hernia- an unusual complication warranting emergency surgery
- CEA expression in gastric carcinoma as tissue biomarker of clinical significance
- Neutrophil to lymphocyte ratio and platelet to lymphocyte ratio in Gastric Cancer- does it influence resectability?
- Proportion of gastric cancer in teens and young adults: in a tertiary care centre in India
- Prevalence and factors associated with sarcopenia among gastric cancer patients attending a tertiary care centre
- Laparoscopic Fundoplication in life threatening GERD in children- An institutional experience from India
- Symptomatic prevalence of GERD amongst non medical working population in India
- Tumour budding in Gastric Cancer- A study in a tertiary care centre
- Successful management of perforated esophagus in a six year old child with corrosive injury
- Single centre experience in managing Corrosive injury stricture
- A descriptive study of Corrosive Injury to Upper GIT- from Demography to Treatment Outcome- A six year study from a single institution
- Thoracoscopic resection of Foregut Duplication Cyst- A Multi-institutional experience

- Gastric myxoid neurofibroma with ganglionic differentiation: Challenges in management of a rare entity
- Barrett's esophagus in India: An analysis of 6000 endoscopies
- Successful management of Gastric Outlet Obstruction in a pulled up stomach 23 years after Esophagectomy for SCC
- Missing crab clip found in esophagus- a case report
- "Long Denture – Found after a decade"
- Retropharyngeal Foreign body : A Surgeon's Conondrum
- Immunohistochemical analysis of p16 in the esophageal SCC- A study in Indian population

INTERNATIONAL CONFERENCE OF UPPER GI SURGICAL SOCIETY OF ASEAN (USAN)
28 – 29TH JUNE 2019 - VIETNAM.

- Endoscopic and Pathological Correlation of Non H.Pylori Chemical Gastritis in Indian Population
- Relationship of Blood Group and Gastric Carcinoma : A South Indian Experience
- Comparative Analysis between DOTANOC Vs CT in the staging of Gastric Carcinoids
- Is Barrett's Esophagus a Common entity in India: An Endopathological Correlation
- Gastrointestinal Neuroendocrine Tumors – Clinicopathological Audit
- Clinicopathological Profile of Primary Gastrointestinal Lymphomas
- Does Chemical play a role in non H.Pylori chronic gastritis: A Pathological Audit in South Indian Population
- Association of Intestinal Metaplasia in H.Pylori positive Chronic Gastritis Patients
- A Study of H.Pylori associated Chronic Gastritis: Correlation between Endoscopy and Histopathological Findings
- Gastric Cancer in the Young : A Disturbing Trend in the Indian Population
- Role of PET CT in Carcinoma Stomach in Indian Population
- Abdomen in the Chest – An Unusual Complication following the warranting Emergency Surgery
- Histopathological Spectrum of Esophageal Lesions in a Tertiary care center
- Histological Types of Esophageal Carcinoma in South Indian Population, A Review of Epidemiology and Pathogenesis
- Reconstructive Strategy after failed management of Esophageal Perforation in corrosive stricture in a 6 year old child
- Challenges in Management of Second Malignancies in patients who has Oesophagus: A single teal experience

- Histological pattern in Indian Gastric Cancer Patients: Is It the same as west?
- Gastric Cancer in India – A Pathologist’s Perspective
- Interpretation of High Resolution Esophageal Manometry Interpretation: So Near Yet So Far
- Surgery for GEJ Cancers

INTERNATIONAL GASTIC CANCER CONGRESS – 8 – 11th May 2019 - PRAGUE

- Lecture
- Presentations

KOREAN INTERNATIONAL GASTRIC CANCER CONGRESS (KINGCA), Incheon, Korea – 11th April 2019

- Lecture : **Experience of Gastric Cancer in India.**
- Chaired One Session
- Oral Presentations (2)

JAPANESE GASTRIC CANCER ASSOCIATION, 28TH February 2019 - JAPAN

Lecture on “**Surgical Management of GE Junction Tumours**”

INTERNATIONAL SOCIETY FOR DISEASES OF THE ESOPHAGUS (ISDE), VIENNA ON September 2018

ORGANISED A CONFERENCE – International Conference on Esophagus and Stomach on June 2018

KOREAN INTERNATIONAL GASTRIC CANCER CONGRESS (KINGCA 2018), Korea – April 2018

- Lecture

ESDS-NOVEMBER-2017-VIENNA

- A Comparative study of MDCT, MRI, FDG PET and Diagnostic Laparoscopy in Assessing gastroesophageal junction adenocarcinoma. A prospective study

25 Papers presented at the MUGIS SEP-OCT-2017-MALAYSIA

- Treatment strategies in managing spontaneous perforation in advanced gastric cancer.
- Managing complex esophageal strictures.
- Malignancy in Gastric Conduit after Transhiatal esophagectomy for locally advanced carcinoma esophagus-analysis of outcome.

- Redundancy in cologastric Anastomosis following colonic esophageal replacement for corrosive upper GI strictures.
- Role of Colon interposition in gastro esophageal cancer surgery.
- Successful management of a rare case of dysphagia and oesophageal perforation in a young girl.
- Managing a post stent large TEF for boerhaave syndrome- A therapeutic challenge.
- Boerhaave syndrome a continuing challenge to treatment.
- Diaphragmatic hernia after transhiatal esophagectomy for benign esophageal stricture.
- Rapunzel syndrome causing cholangitis and pancreatitis: tumour infiltrating lymphocytes in gastric cancer :oesophago gastric junction histiocytic sarcoma.
- Tumours infiltrating lymphnodes in gastric cancer.
- Oesophagogastric junction histiocytic Sarcoma .
- Role of H Pylori in adenocarcinoma of the stomach a study from india.
- Metal bezoar .
- First symptom to presentation- An analysis of 782 patients with advanced gastric cancer from india presenter.
- Esophagectomy for scleroderma esophagus -A rare case report presenter.
- Successful management of gastric outlet obstruction 25 years after esophagectomy and subcutaneous gastric pullup for scc esophagus.
- Missing/ Lost dentures found in esophagus after years- experience with 7 cases.
- Squamous cell carcinoma in corrosively injured esophagus- pattern of presentation and problems in management-experience with 13 cases in 25 years.
- Surgical management of complex post intubation Tracheoesophageal fistula.
- Esophagectomy for achalasia experience from an indian center.
- A Comparative study of MDCT, MRI, FDG PET and Diagnostic Laparoscopy in Assessing gastroesophageal junction adenocarcinoma. A prospective study.
- Difficulties faced during transabdominal intrathoracic esophageal anastomosis with transoral anvil.
- Reconstruction after esophagogastrectomy for og junction type2 tumours- analysis of outcomes.
- Gastric stump carcinoma factors governing resectability and analysis of outcomes in two different eras.

18 Papers presented at the OESO 14th World Conference Global Perspectives in Esophageal Diseases-Geneva September 2-5, 2017

- A Comparative Study of MDCT, MRI, FDG PET and diagnostic laparoscopy in assessing gastro esophageal junction adenocarcinoma-
- Esophagectomy for benign esophageal disorders
- Esophagectomy for achalasia cardia-experience from an indian center
- How should intrathoracic anastomotic leak be managed -operation or otherwise?
- Ivor-Lewis Vs MeckKeown procedures for EGJ cancers
- Colon interposition in gastroesophageal resections
- Surgical Management of complex post intubation tracheoesophageal fistula
- What are the particularities of the treatment of Barrett's esophagus and GERD in the morbid obese patient ?
- Strategy for preventing esophageal stricture after endoscopic surgery
- Malignancy in gastric conduit after trans hiatal esophagectomy for locally advanced carcinoma esophagus - analysis of outcome
- Squamous cell carcinoma esophagus in corrosive injured esophagus- pattern of presentation and problems in management. Experience with 13 cases in 25 years
- Achalasia to pseudoachalasia:Gastric Conduit-Pulmonary fistula.
- Gastric conduit pulmonary fistula-Poster.
- Bridging the gap after esophagogastrectomy for locally advanced type 2 GEJ Tumours with esophagogastrostomy or esophagojejunostomy.
- Throacoscopic management of esophageal duplication cyst in adults our experience.
- Missing/ Lost dentures found in esophagus after years- experience with 7 cases.
- Oral Anvil-Intraoperative difficulties
- Strategies in management of redundant cologastric anastomosis after colon reconstruction for corrosive esophageal strictures

5 Papers presented at the DDW-JUNE-2017-Chicago,USA

- A Comparative study of MDCT, MRI, FDG PET and Diagnostic Laparoscopy in assessing gastroesophageal junction adenocarcinoma. A prospective study.
- Bridging the gap after esophagogastrectomy for locally advanced type 2 GEJ Tumours with esophagogastrostomy or esophagojejunostomy.
- Squamous cell carcinoma in corrosively injured esophagus- pattern of presentation and problems in management-experience with 13 cases in 25 years.

- First symptom to presentation- An analysis of 782 patients with advanced gastric cancer from india presentor.
- Audit off curative gastrectomy histopathology reporting-the need for standardization- an analysis of 174 consecutive gastrectomy specimen reports at a tertiary care centre.

13 Papers presented at the IGCC - April-2017 - Beijing, China

- Node Mapping in gastric cancer in Indian Experience
- Gastric Conduit Pulmonary Fistulae-successful management of a rare complication
- Gastric Carcinoids-Lessons learnt
- Difficulties faced during transabdominal intra thoracic esophageal anastomosis with transoral anvil.
- Gastric stump carcinoma factors governing resectability and analysis of outcome in two different eras.
- Achalasia to pseudoachalasia
- Role pf upfront surgery in the era of neoadjuvant therapy in giant stromal tumors of stomach.
- Multivisceral resection for gastric cancer.
- H-Pylori in gastro-esophageal junction malignancy.
- Symptom analysis in gastric cancer
- Audit of curative gastrectomy histopathology reporting-the need for standardisation.
- Tumor infiltrating lymphocytes in gastric cancer-an indian pilot study.
- Role of Colon interposition in gastro esophageal cancer surgery.

23 Papers presented at the KINGCA-APRIL-2017-Busan,Korea

- Giant esophageal polyps: successful management with long term follow up.
- India practice of esophageal cancer surgery among specialist surgeons-a survey based study.
- Audit off curative gastrectomy histopathology reporting-the need for standardization- an analysis of 174 consecutive gastrectomy specimen reports at a tertiary care centre.
- Symposium S4-3 Experience of gastric cancer in India.
- Esophagectomy for achalasia experience from an indian center.

- Multivisceral resection in locally advanced gastric cancer-our experience.
- Achalasia to pseudoachalasia in 12 years Report of rare entity.
- Difficulties faced during transabdominalintra thoracic esophageal anastomosis with transoral anvil.
- Esophageal tuberculosis-Amimicker of malignancy
- An analysis of 782 patients with advanced gastric cancer-an indian study.
- Influence of lifestyle in patients with squamous cell carcinoma of oesophagus in south indian population.
- Gastroesophagal junction histiocytic sarcoma-a rare case report at KINGCA
- Esophagectomy for scleroderma esophagus -a rare case report
- Rapunzel syndrome causing cholangitis and pancreatitis.
- Bleeding in tranhiatal esophagectomy for squamous cell carcinoma of esophagus.
- Temporary bridging the gap after esophago gastrectomy for locally advanced type 2 GE Junction tumors with esophago gastrostomy or esophago jejunostomy.
- Malignancy in gastric conduit after tranhiatal esophagectomy for locally advanced carcinoma esophagus.
- A Comparative study of MDCT, MRI, FDG PET and Diagnostic Laparoscopy in Assessing gastroesophageal junction adenocarcinoma. A prospective study.
- Role of helicobacter pylori in Adenocarcinoma of the stomach-a study from india.
- Squamous cell carcinoma after corrosive injury-pattern of presentation and problems in management. experience with 13 cases in 25 years.
- Surgical management of complex post intubation Tracheoesophageal fistula.
- Metal Beor.
- Esophageal duplication cyst-adult presentation.

Malaysian Upper GI Surgical Society (MUGIS) – 08 October 2016

- Lecture : GE Junction Tumours : Best Treatment option
- Lecture : Gastrectomy : From Open to MIS

12 Papers presented at the ISDE-SEP-2016-SINGAPORE

- Management of post intubation tracheo oesophageal fistula.
- Role of THE in middle third oesophageal carcinoma.
- Managing oesophageal injuries in cut throat injuries.
- The role of colon interposition in gastro esophageal surgery.
- Bleeding after THE for SCC Esophagus- experience with 11 patients

- Missing lost dentures- found in Esophagus after years –experience with seven cases.
- Large Esophageal Duplication cyst in adult
- Managing Esophageal injury in cut throat injuries
- The role of colon interposition in gastric esophageal cancer surgery
- Esophageal injuries during cervical spine stabilisation surgery –Management Strategies
- Strategies in management of Redundant cologastric anastomosis after colon reconstruction for corrosive esophageal stricture
- Surgical management of complex post intubation TEF

**KOREAN INTERNATIONAL GASTRIC CANCER CONGRESS (KINGCA),
Korea – April 2016**

- Lectures

**14 papers and 1 lecture presented at 14th International Surgical society for Diseases of
the Esophagus , Vancouver ,Canada September 2014**

- Tracheo-Esophageal Fistula In Advanced Squamous Cell Carcinoma Oesophagus – A Single Centre Experience Of 31 Cases
- Esophageal Tuberculosis – A Mimicker Of Malignancy
- Surgical Management Of Post Intubation Tracheoesophageal Fistulae
- Sharp Foreign Bodies In Esophagus – Our Experience In 11 Surgically Treated Patients
- Management Of Perforation Following Treatment For Achalasia Cardia: Factors Influencing Outcome: Experience With 8 Cases
- Spontaneous Esophageal Perforations Mimicking Cardio-Pulmonary Pathology Presenting To Physicians With Delayed Referral To G.I. Surgeons- Strategies Adopted And Outcome Of Management
- Managing Esophageal Injuries: “East Or West – Neck Is The Best Of The Worst”Our Experience With 16 Successfully Managed Patients – A Single Center Experience
- Corrosive Pharyngoesophageal Stricture In A Child- The Five Year Struggle To Make Him Eat!
- A Survey Based Analysis On Management Of Esophagogastric Junction Tumors In India
- Indian Practice Of Esophageal Cancer Surgery Among Specialist Surgeons – A Survey Based Study

- Influence Of Life Style In Patients With Squamous Cell Carcinoma Of The Esophagus In South Indian Population
- Esophago Gastric Histiocytic Sarcoma – A Rare Case Of Dysphagia In Adult Causing Diagnostic And Therapeutic Dilemma
- Polyurethane Foambezoar” – An Unusal Foreign Body Of Esophagus And Stomach – First Human Case Report
- Surgical Management Of Zenker ' S Diverticulum – Our Experience

6 papers and 1 special mention poster presented at the 10th International Gastric Cancer Congress 2013 –Verona Italy June2013 .

- Analysis of outcomes of Stapler versus Hand Sewn Esophagojejunal Anastomosis after Total Gastrectomy
- Management OfGe Junction Tumours - Single Centre Experience With 104 Patients
- Management Of Stump Carcinoma-The Change Over Three Decades
- Node Mapping In Locally Advanced Gastric Cancer: Has It Increased Nodal Harvesting? - An Indian Experience
- Status Of EGFR Mutations In Carcinoma Stomach In Indian Patients- A Pilot Study
- Three Gene Signature In Cancer Stomach – A Pilot Study In Indian Patients
- Special Mention Poster On Carcinoma Stomach In India

Three papers presented at the European society of Thoracic surgeons

- 114 cases of esophageal injuries managed by a Single team: Early and late outcomes.
- Assessment of QoL in relation to the type of reconstruction in complex corrosive strictures of upper GI tract
- Totally Stapled Pharyngocecoplasty: A New Technique To Avoid Leak, Stenosis And Redundancy.

Sixteen papers presented at ESOINDIA 2013:International Conference on Esophagus stomach and obesity

- QOL study in corrosive esophageal stricture patients undergoing Surgery
- Gastric Stump carcinoma: Change over the decades
- Tuberculosis of Esophagus
- Advancement Coloplasty
- Revision Neck Strategies
- Gastrocele
- Sentinel lymph node mapping in Gastric Cancer
- Gastric Pull-up in GJ

- Esophageal stenting for esophago-jejunal anastomotic leak
- Blunt trauma Esophagus
- AAA syndrome
- Giant esophageal polyp
- Totally Staped Billroth I anastomosis
- Sharp Foreign bodies in esophagus – Our Experience
- EGFR Expression in Carcinoma Stomach
- Foam Bezoar

4 papers presented at the World Congress of the International Society for the Diseases of Esophagus at Venice, Italy, October 2012

- 101 cases of Esophageal injuries –managed by a single team
- Giant Esophageal polyps –Management issues
- QOL –Gastric Pullup vs Coloplasty
- Technique video on Coloplasty

9th International Gastric Cancer Congress Meeting, Seoul, South Korea–20–23 April 2011

- Role of Sentinel Node Mapping in Gastric Cancer(Best Paper Award)
- Impact of Lifestyle in patients with Gastric Cancer in Indian Population.(Best Paper Award)

Nine papers presented at the World Congress of the International Society for the Diseases of Esophagus at Kagoshima, Japan, September 2010.

- Totally Staped PharyngoCaecoplasty with colon pull up – A new technique to avoid leak, stenosis and redundancy
- Factors modifying the outcome in the management of oesophageal injuries – single term experience with 67 cases
- Malignancy in the corrosive stricture of the esophagus – a single centre experience of 6 cases out of 937 patients of corrosive stricture of the esophagus
- Squamous esophageal cancer and the influence of Sonic hedgehog mechanism
- Proximal extent of spread in squamous cell carcinoma of esophagus
- Giant gastric conduit pulmonary fistula due to recurrence after Transhiatalesophagectomy – successful management with covered stent
- Problem of redundant colon in cologastric Anastomosis in patients undergoing coloplast: presentation and the new technique to solve the problem
- Sternotomy and colon advancement after failed pharyngocolic reconstruction due to proximal conduit necrosis – a new technique
- Successful management with subcutaneous coloplasty after failed jejunal graft for corrosive pharyngeal stricture.

62nd Japanese Association of Thoracic Surgeons Conference, Yokohama, Japan 2010

- Complete Mechanical Anastomosis Using Circular Stapler - A Technical Innovation In Colonic Oesophageal Replacement Surgery,
- Arcade Preserving Antrectomy and Gastric Pullup in Corrosive Oesophageal and Antral Stricture -
- Restoration Strategies in Failed Oesophageal Replacements,

Oesophageal tuberculosis: A review of 24 cases(G-I tract,Travel Grant) Japan Surgical Society – 2009 , Fukuoka Japan - ISW, Adelaide 2009

- Total Mechanical Cervical Anastomosis: Is it a solution for anastomotic complications in oesophageal replacement
- Unavailable Colonic Conduit: an Innovative Technique of Gastric Pullup with Corrosive Antral Stricture

12th Annual Conference European Integration for Surgical Knowhow – European Surgical Society 2008 Naples Italy

Anastomotic Failure – Is it anastomotic stenosis or ongoing fibrosis, Strategies in revision, Corrosive Antral Stricture – Innovative Technique Japan Surgical Society, , Nagasaki, Japan.2008

Gastrocele due to double stricture following corrosive ingestion

Innovative Techniques using stomach as conduit in the management of combined oesophago-gastric caustic stricture

Japanese Association of Thoracic Surgeons Conference, Sandai Japan.2007 Oesophageal Perforation Management Strategies – Tuberculous Dysphagia – A Review.

Gastrocele due to double stricture following corrosive ingestion – The International Surgical Week 2007, Montreal, Canada.2007

The First Asia Pacific Gastric Cancer Conference – November 2006, Clinical Research Center, National University of Singapore.2006

Status of TP53 Tumour Suppressor Gene in Carcinoma Stomach -

VEGF – Status in Gastric Cancer in India

Status of EGFR mutations in Carcinoma Stomach in India

An Immunohistochemical Study of Estrogen Receptor in Cancer Stomach –

Gastric Stromal Tumours – Report of 14 Surgically Resected Cases

The Japanese Association of Thoracic Surgeons Conference – Okayama, Japan.2005

A New Technique of Coloplasty in the management of complex

Pharyngoesophagogastric Strictures – “Augments Blood Supply and avoids Leak,

Necrosis and Redundant Colon” –

Bridging Long Gap – A New technique of Pharyngogastroplasty in Corrosive Pharyngeal Strictures

Oesophageal Squamous Cancer and TP53 Status in India

The Quincentenary Congress of The Royal College of Surgeons of Edinburgh 2005 held at Edinburgh, UK.2005 Corrosive Injury to the Upper Gastrointestinal Tract – Strategies for a Better Outcome

Bile Duct Cysts – Our Experience

Solid Papillary Epithelial Neoplasm of Pancreas – Management
Conduit Necrosis in Oesophageal Surgery – Management Strategy
Recurrence Pattern in Patients who underwent Transhiatal Oesophagectomy for Locally Advanced Oesophageal Cancer

World Congress of the International Society for Diseases of Oesophagus Conference held at Madrid, Spain. 2004

Second Malignancy following Squamous Oesophageal Cancer –
Dysphagia due to Tuberculosis
Pharyngo-oesophago-gastric Corrosive Strictures; Dilemmas in Management: To Eat or to Speak? Experience with thirty five patients

XV Asia Pacific Cancer Conference, Chennai, India, 15th December 1999

Recurrence after transhiatal oesophagectomy for squamous cell carcinoma of the oesophagus – Our institutional experience .1999
Second malignancies in patients with oesophageal cancer. 1999

V Congress of Hepato biliary pancreatic surgery, Kuala Lumpur, Malaysia 2-4 December 1999

Broncho biliary fistula – Our experience. 1999
Haemosuccus Pancreaticus – Our experience.

8th Overseas Meeting of the Royal College of Surgeons of Edinburgh jointly with the College of Surgeons of Hong Kong, Hong Kong, October 1996

Recurrence after transhiatal oesophagectomy for squamous cell carcinoma of the oesophagus
Carcinoma of the oesophagus – Our institutional experience
Second malignancies in patients with oesophageal cancer

First South East Asian Conference of International Gastro Surgical Club, Madras, India, February 10-13, 1996

Haemosuccus pancreaticus – Our experience. 1996
Pancreatic Gastrostomy – Our experience. 1996

6th World Congress of International Gastro Surgical Club at Bangkok, Thailand, December, 1995

Hilar Tumours – An institutional experience
Stump carcinoma – Myth or reality?
Pancreaticogastrostomy – A safe & simple procedure in whipples
Functional evaluation of intrathoracic stomach as an oesophageal substitute
Posterior Mediastinal reconstruction after transhiatal oesophagectomy for cancer Is it safe?

1st International Gastric Cancer Conference, Kyoto, Japan 1995

Gastric cancer – Presentation & Surgical strategy in early 80s & Early 90s – An Indian experience

Overseas Meeting of the Royal Colleges of Surgeons, England in New Delhi, 1991

Amoebiasis – Indian experience in symposium of tropical disease
Madras, Pancreatic resection – The changing trend

7th Congress Asian Surgical Association, Feb. 1989, Penang, Malaysia

Cystic lesions of liver – Special reference of hydatid cyst

NATIONAL CONFERENCES

Tele Lecture at SRIHER – Current Trends in Surgical Management of Cancer Esophagus on 18th October 2019

IASG Con 2019 – Delhi – Video Lecture – Laparoscopic Heller Myotomy with Toupet fundoplication on 10th October 2019

IASG Con 2019 – Delhi – Lecture – CME : Conduit for oesophageal replacement: Which, When and How on 11th October 2019

Lecture at Mahatma Gandhi Medical College – International Health Research Convention – Recent Trends in Gastric Cancer on 19th July 2019

Lecture at Medanta Hospital, New Delhi – Surgical Management of GE Junction Tumours on 04th July 2019

Panel Discussion on Burning Issues in Esophagus on 28th September 2019

Surgical Gastroenterology (SGE) Week, SGPGI, Lucknow – Lecture : Management of Bleed after Esophagectomy on 24th August 2019

Indian Society for Esophagus and Stomach (ISES) – Moderator : Minimally Invasive Esophagectomy on 16th August 2019

Association of Surgeons of India (ASI) : Coimbatore – Panel : Laparoscopic Cholecystectomy on 10th August 2019

CME in Esophagus : New Delhi – Video Lecture : Open Transhiatal Esophagectomy Moderator : Session on Cervical Anastomosis on 3rd August 2019.

Sri Ramachandra Medical College and Research Institute – Challenges in Management of Gastric Cancer on 25th April 2019

CME Programme – Lecture on Cancer Stomach – PG Clinics : Clinical Demonstration on 02nd February 2019

Rapid Review Course at SRIHER – Lecture on Current Trends in Management of Cancer Esophagus on 31st January 2019

GI Surgicon : New Delhi – Lecture on Management of Caustic Upper GI Strictures on 19th January 2019

Annual Conference of Delta ASI – Lecture on Common Upper Gastro Intestinal Problems on 6th January 2019.

ASSOCIATION OF SURGEONS OF INDIA, THEKKADY – LECTURE on August 2018

AIG, HYDERABAD – LECTURE on 23rd June 2018

Indian Society of Gastroenterology – Lecture on Endoscopy the Saviour – March 2018

8th Annual Surgical Gastroenterology Clinics on 24th -25th February 2018 in Hyderabad

Post Graduate CME at Madurai Medical College – Lecture on Carcinoma Stomach – Clinical Demonstration on 9th February 2018

Rapid Review Course in Surgery – Lecture on Carcinoma Esophagus on 25th January 2018

Indian Association of Surgical Gastroenterology – Video Lecture : Neck Anastomosis on 05th October 2017.

Association of Surgeons of India, Guntur - Lecture : “My Journey in Management of Corrosive Stricture” on 19th August 2017

Association of Surgeons of India, Coimbatore, TN & P Chapter – Lecture on 11th August 2017

Indian Society of Gastroenterology, Puduchery - Lecture on 29th July 2017.

21st Surgical Gastroenterology (SGE) Week- Reoperative GI Surgery on 31st-2nd April -2017 in SGPGI Lucknow.

Chairperson-Recurrent Dysphagia Following Cardiomyotomy for Achalasia Cardia- What Now?
Chairperson- Re-operations for failed anti-reflux surgery-options and results.

Christian Medical College, Vellore – Video Lecture : Pharyngo Coloplasty – Panel : Carcinoma Stomach on 01st April 2017

AIG, Hyderabad – Lecture on 04th March 2017.

CME - Lecture : Medical Problems in Surgical Patients on 17th April 2016

SGPGI, Lucknow – Lecture on 11th March 2016

Amritsar Conference – Lecture : Memorable Patients on 06th March 2016

Global Hospital, Bangalore – Lecture : GE and Gastric Cancer on 28th February 2016

Video Workshop : THE D2 Gastrectomy on 30th July 2016

CME Lecture at Stanley Medical College - Ca Stomach : Past, Present and Future on 21st July 2016

Indian Medical Association CME, Ramnad – Lecture : Common GI Problems : Current Trends in Management on 16th July 2016

CME, Madurai – Lecture : Staplers in GI Surgery on 28th June 2016

International Medical Sciences Academy - Lecture on Surgeon's Perspective : Ca Esophagus on 12th June 2016

IMA Conference, Madurai – Lecture on Problems in Management of complex upper GI Strictures on 26th November 2016

Government Medical College, Pondicherry – Lecture on Achalasia Cardia and Corrosive Injury Edge over Endoscopy on 15th October 2016

SRM Medical College – Lecture : Obstructive Jaundice – Surgeon's Perspective on 24th August 2016

Amristar Gastroenterology Association Conference- Invited Lecture-Mysterious Esophagus-06 March 2016.

20th Surgical Gastroenterology (SGE) Week “Debates in GI Surgery “ on 11th -13th March 2016 at SGPGI, Lucknow.

- Chairpersons -Palliative Treatment for Carcinoma Stomach.
- Chairpersons- Gastric Lymphoma
- Open House session(Q & A) – Gastric Diseases.
- Lecture-Transhiatal Esophagectomy is still relevant.
- Open House Session – Oesophageal Diseases.
- Lecture- Refractory Corrosive Stricture Oesophagus.
- Open House Session- Oesophageal Diseases.

General Surgery CME 2017 Govt.RAJAJI Hospital , Madurai Medical College, Madurai, Tamilnadu & Pondicherry Chapter of ASI & ASI on 3rd, 4th and 5th Feb-2017

CME Programme – Prof N Rangabashyam – Current Trends in Carcinoma Stomach on 01st February 2017

Association of Surgeons of India, Thanjavur – Recent Trends in Management of Cancer Stomach on 29th January 2017

Rapid Review Course at SRMC – Lecture on Carcinoma Esophagus – Post Graduate Clinical Demonstration on 23rd January 2017

Stanley Medical College – Lecture on Carcinoma Stomach in India – Challenges and Solutions on 04th January 2017

35th CME Programme-organised by Department of Surgical- Panel Discussion-Convenor- Cancer Stomach-February 2016.

IASG-SSAT Conference on Complications in GI Surgery-Speaker-Recognising Conduit Necrosis and What Next??-26th-27th February 2016.
Panel Discussion-Panelists-Complications in Esophageal Surgery.

Conference on Complications in GI Surgery – Lecture : “Conduit Necrosis” on 26th February 2016.

CME, Madurai Medical College – Lecture : Carcinoma Stomach on 05th February 2016.

KG Hospital, Coimbatore – Lecture : Memorable Patients on 23rd January 2016

Apollo- New Delhi- Conference-Managing Complications in Liver Transplant – 10th September 2015.

IASGE Pune-Conference-29th September 2015.

Faculty for Master Class in Esophagus,Sri GangaRam Hospital, New Delhi , February 2015

ASICON 2014 – co-author for the following papers

- Critical analysis of diaphragmatic hernia
- Critical analysis of TEF –
- Frey's procedure for chronic calcific pancreatitis(CCP) without head mass
Short term outcome analysis

- Status of EGFR Mutations in Carcinoma Stomach in India
- Pancreatic stump management following pancreaticoduodenectomy Tertiary centre experience
- Management of Obstetric anal sphincter Injuries with overlapping sphincteroplasty: A single center experience
- Surgical Management of Choledocholithiasis- Our experience from a tertiary care hospital
- Multimodality approach in pancreatic Pseudocyst management

Delivered a Lecture on D1 vs D2 Gastrectomy -

Moderator for panel on Pancreatic Carcinoma -

IASG CON 2014 Ahmedabad –co-author for presented papers

- A Rare Case Of Gist At The Duodeni-jejunal Flxure
- Embryonal Rhabdomyosarcoma Liver In A 16 Year Boy- A Rare Case Report
- Giant Hepatic Hemangiomas Resections- A Tertiary Center Experience.
- BHead Coring For Chronic Calcific Pancreatitis (Ccp) Without Head Mass- Short Term Outcome Analysisb
- Evaluation Of Per-Rectal Imprint Smear Cytology And Biopsy In The Diagnosis Of Ano-Rectal Malignancies
- Multimodality Approach In Pancreatic Ascites Management
- Surgical Management Of Choledocholithiasis -Our Experience From A Tertiary Care Centre
- Management Of Obstetric Anal Sphincter Injuries:A Single Center Experience
- Post Intubation Tracheo Esophageal Fistulae : An Experience From A Tertiary Care Center
- Risk Factors For Squamous Cell Carcinoma Of Oesophagus In South Indian Population
- Management of high pharyngeal strictures-our experience in the past three years

Delivered a lecture on preoperative workup, staging and decision making in Carcinoma Esophagus

Demonstrated the technique of ' Coloplasty' in the work shop

IAES 2014 – coauthors for papers on

- Head Coring For Chronic Calcific Pancreatitis (Ccp) Without Head Mass- Short Term Outcome Analysisb

ASICON 2014 (Tn and P chapter) coauthors for papers on

- The five year journey to make five year old acid victim eat.
- Foamoma – First human case report of an unusual foreign body
- Esophago Gastric Histiocytic Sarcoma – A first case report
- How to manage Esophagogastric junction tumours – An Indian Survey
- Giant Hepatic Hemangiomas Resections – A tertiary center Experience
- Embryonal Rhabdomyosarcoma Liver in a 16 year Boy – A rare case Report
- Minimally invasive colorectal Surgery – An emerging modality
- Minimally invasive upper GI Surgery for Benign diseases – Our experience from a tertiary center
- ary care centre
- Management of Intestinal obstruction due to midgut volvulus in adults – A very rare entity
- Management of Bronchobiliary fistula – A rare entity – Report of two cases.
- Esophageal Tuberculosis mimicking malignancy

- Pancreas sparing Duodenectomy for Gastro Intestinal Stromal Tumour – A case report and review of literature
- Multiple varieties of sharp and blunt foreign bodies in stomach – An interesting case report
- Demonstrated the technique of 'Coloplasty' in the work shop

Moderator for panel discussion on 'Is Day Surgery relevant in India 'ADSCON 2014, Chennai. Mar 2014

Moderator for Panel discussion on 'Carcinoma Stomach 'Apollo Hospital AUGISIC Mar 2014

Invited lecture on Open Cholecystectomy in the era of lap Cholecystectomy –IAGES, Chennai Feb 2014

Moderator for Panel discussion on 'Carcinoma Stomach ' Madurai CME at Feb 2014 -

International Conference and Workshop on Gastric Cancer January 24,25 2014 :
International telepanel : moderator on GE junction tumors

73rd Annual Conference of The association of Surgeons of India – ASICON 2013
Lecture on difficult Abdomen closure

68th State annual conference of IMA Tamil Nadu December 14,15 2013

Chairperson: Dr. S.M. Chandramohan for Dr. Haji JanabSukkur Oration and Dr. Jayaseelan Mathias Oration

Chairperson: Dr. S.M. Chandramohan, for CME lectures

Bariatric & Metabolic Surgery

Minimal Access Surgery for Fibroid

Liver Transplantation today expanding Horizons

Newer advances in Coronary Intervention

Topic: Fats as Complimentary Therapy

Cancer treatment – A multimodality approach

68th State annual conference of IMA Tamil Nadu December 14th and 15th 2013

Coauthor

Successful surgical management of 5.2kg giant hemangioma of the liver by a team approach

Our experience in Management of solid Pseudo Papillary neoplasm of the pancreas

Is there is a possibility of "TARGET THERAPY" for advanced gastric cancer? - Genetic study in our patients.

Giant esophageal polyps-issues in management

Management of acute abdomen due to mesentric vascular ischemia : A single centre experience

A very rare cause of upper abdominal cyst. Description of a new entity-management of 20 cases

Management of obstetric anal sphincter injuries - a single center experience

Head coring for Chronic Calcific Pancreatitis (CCP) without head mass-short term outcome analysis

Is there a role for Multi Organ resection in locally advanced gastric cancer? Our experience.

Reconstruction after Total Gastrectomy : has the technology improved the outcome? An analysis of 73 patients

The role of Non-operative management of liver and splenic injuries in Blunt Trauma abdomen. Analysis of 157

Esophagogastric foam bezoar - fist human case report

A rare case of extranodal histiocytosis presenting as an oesophago gastric mass

Pancreatitis presenting as GI bleed - when to suspect and how to treat?
Managing Complications of severe acute pancreatitis and analysis of 100 cases : Our experience
Rare disease of spleen with a very rare diagnosis
Bile duct injuries after cholecystectomy – problems in management
Multidisciplinary approach in management of post intubation trachea-esophageal fistula - An experience from tertiary care centre.
Pseudo cyst of Pancreas - rare presentation of blunt injury abdomen.
Neuroendocrine tumor of AMPULLA OF VATER and factor VII deficiency - treated by ampullectomy.
Spontaneous retroperitoneal hematoma due to a bleeding disorder presenting as acute abdomen: diagnostic importance: A case report

ASI Chennai City Chapter –Moderator for panel on Carcinoma rectum – October 2013

IASG CON 2013 - Kolkata

- Trends in management of Gastric Stump Carcinoma - our experience
- Predicting Post Operative liver failure
- Neuro endocrine tumor –Our experience
- Hemosuccus pancreaticus-Our Experience in management-
- Comparative study of results of various type of pancreatic stump anastomosis following pancreatoco duodenectomy

Invited lecture on Ca. Stomach – September 2013 –Villupuram

Chennai City Section Association of Surgeons of India – ‘ GE junction tumors – Death at the Border ‘ - August 2013

ASICON –August -2013 - 37th Annual Conference of Tamilnadu and Pondicherry Chapter of ASI

- Spontaneous retroperitoneal hematoma due to a bleeding disorder presenting as acute abdomen : successful non operative management
- Chronic Calcific Pancreatitis – Frey’s procedure provides better quality of life : A study of 25 cases in our centre.
- Case Report of CCP with Portal Hypertension
- Double Stapling Technique in Lower GI Reconstruction
- Management of Obstetric Analsphincter Injuries : A single center Experience
- Multi Visceral resection in locally advanced GI Tumours – Our experience
- Experience in the diagnosis and treatment of complications of Acute Pancreatitis
- Experience with liver Resection in a tertiary care center
- Amoebic liver abscess-prospective study on epidemiology, clinical features and treatment strategy.

Moderator for Panel discussion on ‘Carcinoma Rectum ‘ organised by Apollo Cancer Hospital at July 2013 - Prof. S.M. Chandramohan

Moderator for Panel discussion on ‘Gastroesophageal reflux disease ‘ organised by Medindia institute of Medical sciences.- July 2013

Invited Lecture in the Department of Anatomy, Madras Medical College on “Anatomy of the Gastroesophageal junction –relevance to modern surgical practise’ –July 2013

Invited Lecture organised by the IMA Nagarcoil –managing GI disorders –Change over decades

CME program organised by Thanjavur Medical College – January 2013

- Lecture on obstructive jaundice
- Lecture on Right Lower Quadrant mass
- Conducted a quiz program

CME lecture –organised by Ramachandra Medical University – Invited Lecture on Carcinoma Esophagus –January 2013

Annual conference of The TN Surgical Gastroenterology association –Topic Esophageal injuries- January 2013

CME lecture January 2013 –organised by department of General surgery –Topic:Upper GI bleed

ASI Kolkata December 2012 -

Moderator –Panel on Carcinoma Stomach -

IMA Trichy – Guest lecture on ‘Corrosive Injury ‘Trichy December 2012

IASG 2012–papers presented at pune

- Esophageal Injuries – Single Team Experience:
- Sentinel Lymph Node Navigation Surgery in Advanced Gastric Cancer – A new way to improve lymph node harvest and outcome:
Management of Failed Cervical Anastomosis after Coloplasty :
- Management of Foreign Body Esophagus – Our Experience
- Strategies in management of Isolated Gastric stricture due to Corrosive ingestion and newer classification: MRNA in Gastric Cancer:
- Coolantoma :
- GE Junction Tumor:
- Yet another exception to Courvoisier’s law – CBD stone with Mirizzi syndrome:
- Intussuscepting Rectal Lipoma:
- Esophageal Stenting in Benign disorders - Our Experience:
- Totally Stapled Transoral Pharyngocolic Anastomosis – Description of a new technique
- Video demonstration of Pharyngocoloplasty
- Moderator –Panel on Carcinoma Stomach

CME lecture –Carcinoma Esophagus - September 12 –Railway Hospital,Chennai

CME Lecture – Team Approach in Management of GI sepsis –12 September 12 –Madras Medical College.

AMASICON 2012 – workshop - Debate on D2 gastrectomy 19 July 2012

Workshop of Victoria hospital Bangalore –Surgical demonstration of coloplasty

Issues in Management of Giant Esophageal Polyp in Tamil Nadu Surgical Gastroenterology Meeting held on 21 April 2012.

Colo-Rectal Workshop – Coloplasty Demonstration: organised under the auspices of Colo Rectal Society, a section of ASI.April 2012

Moderator for the Symposium on Management of Obesity – Meeting organised by the Department of Clinical Nutrition – April 2012

Madurai Annual CME Lecture – Carcinoma Stomach – February 2012

Thanjavur Medical College CME – TAN SUCCESS CME. Lecture on Obstructive Jaundice and Panel Discussion on Carcinoma Rectum January 2012

Video lecture on How I do THE -at the Annual Conference of Association of Surgeons of India ASICON Cochin– 27 Dec 2011

Panel Discussion on Benign Disorders of Oesophagus – 28 Dec 2011

Management of Acute Corrosive Injury – at the Conference Organised by the Toxicology Society, December 2011

Faculty, Annual Conference – Indian Chapter of IHPBA, Bhopal from 25th to 27th November 2011

Faculty, Annual conference – Indian Association of Surgical Gastroenterology, Jaipur October 2011

- Sentinel Node Mapping in gastric Cancer
- Video Presentation: How I Do THE & Giant Esophageal Polyps
- Free Papers Presentation:
- Pattern of Presentations of GI Problem in retroviral patients
- QoL in Gastric pullup vs coloplasty
- Complex Porta Hepatic Mass
- Influence of Lifestyle and Dietary pattern in Gastric cancer patients
- AAA Syndrome
- Neurogenic Dysphagia
- Zenkers Diverticulum a single unit experience

ISG TamilNadu Chapter, Mid Term Conference, Coimbatore – Presentation of Case capsule in GI Surgery- September 2011

Faculty, CME Programme on 09 July 2011

- National Surgical Gastro Enterology Workshop, Bangalore – 08 Jun 2011 -
- Surgery Demonstration: Corrosive Stricture,
- Lecture and Panel Discussion on Carcinoma Stomach

IASG Midterm conference, Vishakapatnam – Lecture on Corrosive strictures – 28 March 2011

Invited Faculty for Crash Course in GI Surgery for M.Ch and DNB GI Surgery, Hyderabad – February 2011

Moderator for the Panel on Carcinoma Esophagus – ISG, Tamil Nadu Chapter – 18 February 2011

Invited Faculty for Indian Association of Pancreatology, Cochin – February 2011

Guest Lecture – Obstructive Jaundice, Government Royapettah Hospital, Chennai – January 2011

Invited to convene symposium on oesophageal cancer in ACVTS, ASICON, New Delhi – December 2010

ISG Tamil Nadu Chapter, Management of pain in chronic pancreatitis – December 2010

IHPBA, New Delhi – Panelist for the symposium on Hilarcholeangiocarcinoma – November 2010

IASG, Hyderabad, Live Demonstration: Oesophago Gastrectomy. Video lecture on How I do Transhiataloesophagectomy

CME lecture on Do we know how much Lymphadenectomy to be done in carcinoma oesophagus – October 2010

Upper Gastrointestinal surgery workshop, Live demonstration: Total Gastrectomy, Controversies in the management of oesophageal cancer – October 2010

Bangalore Medical College, Current options in management of oesophageal cancer – July 2010

Lecture on Corrosive Stricture Oesophagus, Stanley Medical College, 02 April 2010

Faculty, IMA Meeting, Lecture on Common Gastrointestinal problems - 27 March 2010

ISG TN Chapter conference, Thanjavur as a Moderator, Panel Discussion on Acute Pancreatitis – 30 January 2010

Invited Lecture on Open Vs Minimal Access Surgery in the Management of Oesophageal Cancer 2009: Dr NR Digestive Health Trust and Department of Surgery, Southern Railway Headquarters Hospital, Chennai.2009

The Hindu lecture on 31 DEC 2009 – Common GI problems – Awareness Lecture.2009

ASICON – Annual Conference of Association of Surgeons of India on Corrosive esophageal Stricture – Problems in Management, 28th and 29th December 2009

Invited Lecture – Corrosive Esophageal Stricture as a Speaker – CTCME organised by the Cardio thoracic Society of India.19 December 2009

GE Junction Tumour lecture on 05 December2009 , CMC Vellore.2009

Lecture at TB Sanitorium Hospital on 23 September 2009

Lecture on Intraabdominal Infections – 11 July 2009 – ZydusCadila.

Carcinoma Stomach, CME,Thanjavur on 28th and 29th June 2009

Panel Discussion on Pancreatitis – IHPBA conference, Bangalore – 28 February 2009

Panel Discussion at Apollo Hospital on Cancer Oesophagus – 14 February 2009

Clinical Demonstration – Guest Lecture on Memorable Patients, Annamalai University on 12 February 2009

ISG Annual Conference, Kodiakanal – Panel Discussion on 07 February 2009

Lecture on Oesophageal Cancer – Stanley Medical College – 17 January 2009

Invited speaker to speak on “Surgery for Inflammatory Bowel Disorders’ at the Symposium organised by The Tamil Nadu Dr MGR Medical University, Chennai.2009

Invited lecture on Current Trends In the Management of Cancer Oesophagus - Annual Review Course In Surgery organised by The Christian Medical College and Hospital,Vellore.2009

Moderator for the Panel Discussion on GE Junction Tumours – organised by The Tamil Nadu Surgical Gastroenterology Association during the Annual State Conference, Chennai 2009.

Invited lecture on “How I Do It? Managing Bleeding during Oesophageal Surgery - Organised by the Indian Association of Surgical Gastroenterology, IASGCON 2009 held at Mumbai.2009

Invited lecture on The Status of Telemedicine in Tamil Nadu organised by the Tuberculosis Research center and Apollo Telemedicine Foundation. 2009

Invited lecture on The Role of Minimal Access Surgery In Oesophageal Cancer – The Annual Conference of the Society of Endoscopic and Laparoscopic Surgeons of India.2009

Pattern of presentation of GI Disorders in Retroviral patients on 26 September 2009

Chaired a session on “Colonic Cancer” organised by The Radiation Oncologist Society of Tamil Nadu – 2009.

Invited lecture on Management of Benign Corrosive Stricture – CME, organised by the Department of Surgical Gastroenterology, Govt. Royapettah Hospital, Institute of Non-communicable diseases, Chennai 2009.

Invited Video Lecture – How I Do It? – Total Gastrectomy, organised by the TN& P Chapter of the Association of Surgeons of India.- NAGASICON2009

Invited lecture on “Surgery of Cancer Oesophagus” - organised by the TN& P Chapter of the Association of Surgeons of India.- NAGASICON2009

Invited lecture – Carcinoma Stomach – Chennai City Chapter of The Association of Surgeons of India - Meeting organised by The Department of Surgery, St. Isabel Hospital, Chennai August 2009.

Invited lecture on “Memorable Clinical Experience” organised by the Association for Physicians In India – City Physician Meet June 2009.

Invited as Scientific Expert – Fluorosis Control Program organised by The Tamil Nadu Water and Drainage Board – June 2009

Video lecture on How I Do It? TranshiatalOesophagectomy organised by the Department of Surgery, Global Hospital, Perumbakkam, Chennai under the auspices of The Association of Minimal Access Surgeons of India March 2009.

Invited Lecture on “The Management of GE Junction Cancer” organised by the Gut Club of Govt. Stanley Hospital, Chennai – March 2009.

Panel on Cystic Lesions of Pancreas – Single Theme Conference – Pancreas organised by The Indian Hepato Biliary Pancreatic Association at Bangalore – February 2009

Invited lecture on “Surgery for Cancer Oesophagus” organised by the Department of Surgical Gastroenterolgy, Apollo Hospitals, Chennai February 2009.

Convener – Clinical Pathological Meeting – Organised by The Tamil Nadu Chapter of The Indian Society of Gastroenterology held at Kodaikanal February 2009.

Invited Lecture – Cancer Stomach – Annual Revision Course – organised by The Department of Surgery, St Isabel Hospital, Chennai January 2009.

Invited Lecture on Cancer Oesophagus - Rapid Revision Course organised by The Sri Ramachandra Medical College and Research Institute, Porur, Chennai. January 2009.

Invited lecture on GERD – Tamil Nadu Chapter of Association for Physicians of India – November 2009.

Invited lecture on Carcinoma Oesophagus – Association of Surgeons of India, Chennai. November 2009.

Invited lecture on carcinoma Stomach – Organised by The Department of Surgical Gastroenterology, Madurai Medical College, Madurai. November 2009.

Debate on Trans Thoracic Vs Tranhiatal Oesophagectomy in The National Conference IASGCON 2008 organised by the Indian Association of Surgical Gastroenterology, Chennai – September 2008.

Invited lecture of GE Junction Tumour – Kerala Association of Surgical Gastroenterology, August 2008.

Invited lecture on Corrosive Stricture – Management Issues, in part of the commemoration lecture organised by The Department of Surgical Gastroenterology, Govt. Royapettah Hospital, Chennai – August 2008

Invited lecture on Upper GI Bleed – organised by The Department of Surgical Gastroenterology, Government General Hospital, Chennai – August 2008

Invited lecture – Complex Pharyngo-oesophageal Corrosive Injury organised by the Gut Club – Stanley Medical College, Chennai August 2008.

Invited Lecture – Cancer Oesophagus – Annual Conference of The TN&P Chapter of The Association of Surgeons of India. August 2008.

Lecture on Open Vs Minimal Access Oesophagectomy – KASICON 2008 Jan, organised by the Kerala Chapter of ASI 2008

kolkotta State Chapter Conference, Invited Lecture on Management of Corrosive Stricture of Esophagus, Kolkotta on 24 May 2008

Railway Hospital Lecture on GE Junction Tumours on April 2008

Lucknow conference 28 March 2008

Surgical Management – Oesophageal cancer – ISG TN Chapter, Kanyakumari, 09th and 10th February 2008

Anticipated Post Operative complications, Hotel Green Park, Vadaplani on 11 February 2008

CME 2008, MMC, Panel Discussion, Acute pancreatitis, Speaker 02 February 2008

Invited lecture on Carcinoma Stomach, Railway Hospital CME Programme, April 2008.

Invited lecture on Carcinoma Oesophagus – ASICON 2007

Chaired the Session on GE Junction Tumours – ASICON 2007

Faculty for Live Workshop – ASICON 2007

Invited lecture on Carcinoma Oesophagus – Annual Conference of the Indian Association of Surgical Gastroenterology held at New Delhi September 2007

Invited lecture on Coloplasty – Association of Colon and rectal Surgeons of India held at Coimbatore – September 2007

Invited lecture on Carcinoma Stomach, Department of Surgery, Madurai Medical College, Madurai August 2007

Complications of Oesophageal Surgery lecture, Corrosive Stricture lecture and Academic Visit – Armed Forces Medical College, Pune August 2007

Invited Lecture - Intestinal Obstruction', TN & P ASICON August 07, Kanchipuram 2007

Invited Lecture – Obstructive Jaundice, ICS Pondicherry Continuing Surgical Education Program July 2007

Invited lecture - Peptic Ulcer Disease, CME, Stanley Medical College, Chennai. June 2007

Invited lecture – Management of Carcinoma Oesophagus - Department of Surgery, Sri Ramachandra Medical College, Chennai – June 2007

Annual Conference of ISG, Tamil Nadu Chapter, Coimbatore – Panel Discussion Carcinoma Oesophagus, February 2007

Faculty Lecture: Early Cancer Stomach - 26th CME Programme, Govt. Rajaji Hospital, Madurai February 2007

Invited lecture on Carcinoma Oesophagus - Ninth Annual Rapid Review Course in Surgery, Sri Ramachandra Medical College and Research Institute, Chennai, January 2007

Live Workshop on Colorectal Surgery - PSGSURGICON December 2006

Guest Lecture of Cancer Oesophagus – Kerala ASICON November 2006
CITY section ASI, Gastric Cancer – What to do? When to do? Panel: September 2006

Faculty - ISDE & Workshop, India Chapter, Mumbai January 2006

Invited Lecture – Carcinoma Oesophagus – ICS Chennai – July 2006

Invited lecture on cancer oesophagus - TN & P Chapter ASICON June 2005

How I Do It? Transhiatal oesophagectomy, Hyderabad - ASICON 2004

Debate on Transthoracic Vs Transhiatal Oesophagectomy – Hyderabad ASICON 2004

Invited Lecture on Segment Three Biliary Bypass – Single theme conference and workshop on Biliary Disorders organized by Indian HepatoBiliary Pancreatic Association, August 2004

Chaired a session – Silver Jubilee Meeting – Department of Surgical Gastroenterology June 2004.

5th International Conference and Live & Workshop, 8th November 2003, Coimbatore .2003

Lap.Cardiomyotomy and transhiatal esophagectomy
Railway Hospital, Perambur, Chennai . 30-31st October 2003

Management of tumours of middle 1/3 oesophagus 2nd November 2003
Blunt abdominal trauma

Gastroenterology CME Programme, Thanjavur, 19th October 2003

Current concepts in the management of oesophageal diseases

Indian Association of Surgical Gastroenterology, 13th National Conference , Bhopal, 21st September 2003

- Current Concepts in Corrosive Stricture
- Primary esophageal lymphoma
- Malignancy in stricture oesophagus – A case report
- Mucocele of the stomach – A report of four cases
- Gastric stromal tumours – Report of 13 surgically resected cases
- Dysphagia due to tuberculosis – A report of five cases

Tamil Nadu State AIDS Control Society, 27th April 2003
Lecture HIV and Surgeon

Panel discussion – GRT Grand Days, Chennai, 17-23 July 2002
Role of mebeverine

Cancer Institute, Chennai, CME Programme, 31st March 2002
Symposium of Gastric cancer, Preoperative evaluation

REACH (Resource Group for Education and Advocacy for Community Health, The Hindu Office, 24th March 2002)
Gastro intestinal tuberculosis

Annual National CME at SV Institute of Medical Sciences, Tirupathi, 17th March 2002
Complications of oesophagectomy

CME Programme, Dept. of General Surgery, Madras Medical College, Madras, 27th February 2002
Clinical approach to a case of carcinoma stomach

KASICON 2002, ASI South Zone Conference, Kanyakumari, 22nd February 2002
Current concepts in the management of gastric cancer

CME Programme, Madurai Govt. Rajaji Hospital, Madurai, 8-10th February 2002
Recent trends in the management of early gastric carcinoma

Colorectal Conference, ACRSI, Coimbatore, 26th September 2001
Colonic volvulus

ASI Themis Medicare Ltd, Hotel Breeze, 7th July 2001
Abdominal Tuberculosis – Present approach

Susrutha Surgical CME, Railway Hospital, Chennai 26th April 2001
Proximal Gastric Cancer

Chairing and Lecture – Abdominal Tuberculosis, Paper on Splenic Abscess – American College of Surgeons, India Chapter – March 2001, new Delhi.2001

Tirupathi Institute of Medical Sciences, 10th March 2001
Corrosive injury to GI tract.

Radiology Society, 22nd February 2001
Oesophageal Cancer – Current Concepts in Management
Ramachandra Medical College, Chennai, 10th February 2001

Abdominal Tuberculosis
K J Hospital, 21st December 2000

Elusive abdominal lesions
Indian Association of Surgical Gastroenterology, patna, 14-16th September 2000
Oesophageal perforations

Association of Physicians of India, Trichy Branch, 23rd July 2000
Diagnosis and management of acute pancreatitis

Sri Ramachandra Medical College & Research Institute, Porur, Chennai, 5th January 2000
Abdominal tuberculosis

Chennai City Section ASI & NR Research, 25th November 1999
Managing difficult intra operative bleed in hepato biliary & Splenic surgery

52nd Annual Conference, Mamallapuram, IRIA 99 (Indian Radiological Imaging Association), 15th November 1999
Elusive gastrointestinal lesions

CME Programme organised by Prof. R. Saratchandra Educational Trust and Department of Geriatric Surgery, Govt. General Hospital, Chennai, 18th September 1999
Obstructive jaundice

K J Hospital, 29th August 1999
Present trends in the surgical management of obstructive jaundice

Mid Term Conference Indian Society of Gastroenterology, Kerala Chapter, 22nd August 1999
Surgery for oesophageal carcinoma

Surgical Gastroenterology Week organised by SGPGI, Lucknow, February 1999
Surgery for cancer oesophagus in the symposium on oesophageal cancer and panelist in panel discussion Cancer oesophagus

Participated in the tele conference organised by Kerala Chapter, ASI, February 1999
Current trends in the management of oesophageal cancer

Annual Conference of Association of Surgeons of India, Ahmedabad, December 1998
Intra operative endoscopy in the symposium of intra operative investigations

Annual Conference of Indian Association of Surgical Gastroenterology, Chandigarh, September 1998
Recurrence after transhiataloesophagectomy

International College of Surgeons, Indian Section South Zone, 22-23rd August 1998
Management of intestinal fistula

Annual Conference of ASI, TN & P Chapter, Coimbatore, 7-9th August 1998
Hollow – Viscus perforation in the symposium of acute abdomen

CME Programme organised by K J Hospital, Madras 26th July 1998
Do's and Don'ts in acute abdomen

4th Annual Conference of the American College of Surgeons, 17-18th January 1998
New Delhi
Transhiataloesophagectomy for cancer of the oesophagus

Annual Conference of ASI, Bangalore, December 1997
Our experience with transhiataloesophagectomy in cancer oesophagus

Annual Conference of TN & P Chapter of ASI, August 1997
Our experience with J pouch construction
General Surgical Complications during pregnancy

Association of Surgeons of India, TN & P Chapter of ASI, Nagercoil, August 1997
Haemorrhoids – Present concepts in management
Pseudocyst pancreas – Recent trends in management
Complicated giant hernias – Problems in management

Sixth TN P Conference on Tuberculosis & Chest Disease, Madras, February 1997
Invited lecture on "tuberculosis with Malignancy-Cause or Co incidence"

Choledochal cyst – Our experience
Our experience with J pouch construction
Pharyngeal strictures – Our experience
Second National Conference of American College of Surgeons – Indian Chapter, Madras, January 1997
Role of intra operative ultrasound in difficult biliary surgery – Personal experience
An unusual adrenal tumour

Annual Conference of ASI, Bombay, 1996
Elusive pancreatic lesion – Our experience

Annual Conference of TN & P Chapter of ASI, Erode, August 1996
Predictors of long term outcome in oesophageal cancer
Colo rectal carcinoma in teens
Problems in management of pharyngeal strictures

Participant – Symposium on Liver, Indian Association of Gastroenterology, Mar 1995

Invited Lecture – Advances in Duodenal Ulcer Surgery - Indian Association of Gastroenterology, Mar 1995

Annual Conference of Association of Surgeons of India, Jodhpur, December 1995
Which route for reconstruction after transhiataloesophagectomy for advanced cancer oesophagus?

- Splenic abscess – Our experience
- Recurrent retroperitoneal tumours
- Benign lesions of colon and rectum
- Pseudocysts of pancreas – Our experience with 63 patients

Gastroenterology Teaching Programme, Madras Medical College, 1993
Liver injuries – Role of packing

Annual Conference of Association of Surgeons of India, Calcutta, December 1992
Incisional hernia – Our experience

Society for Laparoscopic Surgeons, Coimbatore Workshop, July 1992
Complications of laparoscopic surgery

Gastroenterology Teaching Programme, Stanley Medical College, April 1992
Postoperative jaundice

CME at Apollo Hospitals, 31st March 1992
Reconstructive surgery of Colorectum

Department of Surgical Gastroenterology, Government Kilpauk Medical College Hospital
Surgery for oesophageal strictures

Contributed for Joint meeting of the ASI and Royal College of Surgeons of England
November 1991, New Delhi.

Combined Meeting on Common Hospital Equipment under the auspices of ASI & All India
Manufactures Organisation TNSB, May 1991
Suction apparatus – Use & maintenance

Stanley Medical College, Gastroenterology Teaching Programme, February 1991
Visceral angina

Ostomy, Ostomates Care – Progress Session & Workshop, Madras Medical College 4th and 5th
January 1991
How the need for stoma can be minimized?

Department of Surgical Gastroenterology & Proctology, Govt. General Hospital, Lecture Series ,
17-19th February 1990
Intra Operative Ultrasound in Gastroenterology

Annual CME Programme, Stanley Medical College 27 & 28th January 1990
Current concepts in the management of biliary stones

National Academy of Medical Sciences India, CME Programme at Railway Hospital, Madras,
October 1987 Development of upper GI tract and Including anomalies of liver and gall bladder

Inflammatory bowel disease – Surgical management, July 1987

Critical care in Gastroenterology, September 1986

RESEARCH PROJECTS (ONGOING AND COMPLETED):

Intraoperative Coeliac plexus block in management of Chronic Pancreatitis.

Genetic Expression in Gastric Cancer

Sonic Hedgehog Pathway in Esophageal Carcinogenesis

Resection Margin in esophageal cancer

QoL study after esophageal reconstruction

Totally stapled Vs Hand sewn anastomosis in pharyngeal reconstruction

Study on the outcome of esophageal injuries with specific relevance to the pattern of
presentation

P53 in esophageal cancer: Inter-Institutional study Madaras Medical College, Government
Royapettah Hospital ND Dr. Ah Mudaliar Institute of Basic Medical Sciences and Research

February 2009 and Ongoing: Institutional Trial – Complete Mechanical Cervical Anastomosis in Oesophageal Surgery

September 2008 and ongoing – Coordinator, Multi-institutional Study on Influence of Gamma Interferon and Probiotics in Cancer Stomach Patients.

April 2007 and Ongoing – Chief Scientific Officer – Joint Committee on Evaluation of Oesophageal Replacement Procedures in Corrosive Stricture Patients – Supported by the Esophageal Patient Support Organisation - EPSO

August 2008 to December 2008 – Chief Investigator – Gli2 and its influence on Cancer Oesophagus.

January 2008 to July 2008 – Institutional Reviewer – Oesophageal Perforation and its Outcome - Management Protocols.

October 2005 to March 2006 – Institutional Reviewer- Committee on improving the outcome in patients with Oesophageal Tuberculosis.

April 2005 to October 2005 – Co-investigator – Impact of EGFr and p53 in Upper GI Carcinogenesis.

Oct 2004 to Mar 2005 – Chief investigator – “Oestrogen Receptor Expression on Cancer Oesophagus – Does it have a Clinical Implication ?”

March 2004 to September 2004 – Co-investigator – VEGF and its influence on Gastric Carcinogenesis.

June 2002 to May 2003 – Co-ordinator for the Interinstitutional experimental study on p53 in Oesophageal Squamous Cancer patients. Department of Surgery, Govt. General Hospital, Madras Medical College, Chennai – 600 003, Department of Medical and Surgical Gastroenterology, Govt. Royapettah Hospital, Chennai – 600 014 and The Department of Pathology, The Dr AL Mudaliar Institute of Basic Medical Sciences and Research, Taramani, Chennai – 600 113.

SPECIALITY POSTGRADUATE RESEARCH THESIS GUIDANCE

- Prognostic relevance of the Revised Atlanta classification in patients with Acute Pancreatitis focusing on severity stratification and prediction of need for surgery
- Head Coring For Non Head Mass Chronic Calcific Pancreatitis- Outcome Analysis
- GE junction growth and sub analysis –neoadjuvant and adjuvant therapy in GE junction growth
- Predicting post hepatectomy liver failure
- Analysis of multivisceral resection in locally advanced GI tumors
- Outcome of various size of conduit in Transhiatal esophagectomy
- Proximal esophageal margins in squamous cell carcinoma of the esophagus
- Sentinel node detection by submucosal and subserosal injection of marker dyes in gastric cancer
- Sentinel Lymph Node Mapping in Gastric cancer and long term outcome
- QoL Assessment in patients undergoing Oesophageal replacement
- Impact of Lifestyle Modifications in Squamous cell carcinoma Esophagus
- Arcade preserving Antrectomy and Totally stapled Gastrogastrostomy
- Pattern of presentation and outcome in management of GE Junction Tumours
- Strategies in managemepreservableled neck anastomosis

- Natural course of corrosive injury of upper GI Tract
- Pattern of presentation, Management and outcome of Esophageal perforation
- International network technical expertise partner – TIGER Project – International study on Stapled Vs Handsewn GI Anastomosis – April 2009 till November 2010
- Assessment of stem cell marker and premetastatic Niche determinants in neoplastic transformation sequences of Gastric Mucosa – May 2010
- Assessing the proximal spread of oesophageal cancer in Indian patients May 2010
- Study on the factors influencing the outcome of oesophageal injuries – April 2010
- Molecular Genetic and Gene Expression Studies on GI Tumours – May 2010
- mRNA identification in Pancreatic cancer and its influence on survival – May 2010
- Augmentation Coloplasty – Has it improved the outcome of colonic conduit – April 2009
- Totally stapled pharyngocoloplasty – influences in the outcome of colonic conduit – April 2009
- Influence of the Sonic Hedgehog pathway in Oesophageal Carcinogenesis – Sep 2008
- Resection Margins in Squamous Oesophageal cancer and its pathological correlation – Sep 2007.

AWARENESS PROGRAMME FOR THE SOCIETY

Organised an Awareness programme and Good Health for Nilgiris, an awakening initiative by ESOINDIA and Keystone Foundation, Kotagiri, Nilgiri District on 16th September 2019.

Organised an Awareness programme for the Public as part of Independence Day Celebrations 2019 - Essay competition for the General public - 'Stomach and Food Pipe Cancer – Prevention, Precaution & Perseverance in Treatment' - Open house public Discussion and Interaction at St. Isabel Hospital, Chennai on 15th August 2019.

Organised an Awareness programme for the Public as part of Success Stories by Cancer Survivors and Cancer Survivors day on 02nd June 2019 at Kalaivanar Arangam.

Organised an Awareness programme about Health living, Cancer and Suicide Prevention for School and College Students at Mother Teresa Women's University, Kodaikanal on 13th March 2019.

Organised an Awareness programme for the Public as part of Republic Day Celebrations and essay competition on the theme "We can. I can" at Kalaivanar Arangam on 27th January 2019

Organised an Awareness programme for the Public as part of Republic Day Celebrations at Kalaivanar Arangam on 26th January 2018.

PUBLIC INTERACTION ON STOMACH AND FOOD PIPE CANCER WITH EXPERTS
social Awareness Educational Run and Public interaction called ESO RUN on Sunday 26th Nov'2017 at Kalaivanar Arangam.

Organised an Awareness programme for the Public as part of Cancer Stomach for World Cancer day – 05th February 2017

Organised an Awareness Programme for the Public as part of Independence Day August 2016
Open house Public Discussion and Interaction

Organised an Awareness programme for the Public as part of Republic Day Celebrations in January 2016
Open house public Discussion and Interaction

Organised an Awareness programme for the Public as part of Suicide prevention day
September 2015

Organised an Awareness Programme for the Public as part of Independence Day August 2015
Open house Public Discussion and Interaction

Organised an Awareness programme for the Public as part of World Cancer day February 2014
Cancer survivors, their family, the treating doctors and nurses participated with patients currently undergoing cancer care to educate and inspire hope.

Organised an Awareness programme for the Public as part of Republic Day Celebrations in
January 2014 - Open house public Discussion and Interaction

Organised an Awareness programme for the Public as part of Suicide prevention day
September 2014 - Human Chain to spread awareness - Oath taking on Suicide Prevention

Organised an Awareness programme for the Public as part of Independence Day Celebrations
2014

Organised an Awareness programme for the Public as part of No tobacco day and Cancer
survivors day June 2014 - Open house public Discussion and Interaction

Organised an Awareness programme for the Public as part of Republic Day Celebrations 2014
Essay competition for the General public - 'Changes in lifestyle and Gastric Cancer'
Gastric Cancer Support Group Meet
Open house public Discussion and Interaction with Prof H K Yang on Gastric Cancer

Organised an Awareness programme for the Public 'Stomach Cancer' as part of Independence
Day Celebrations 2013
Inauguration of Gastric Cancer Support Group
Essay competition for the General public - 'Winning the War on Gastric Cancer'
Open house public Discussion on Stomach Cancer

Organised an Awareness programme for the Public 'Stomach Cancer' as part of Republic Day
Celebrations 2013
Essay competition for the General public - 'Winning the War on Gastric Cancer'

Organised an Awareness programme for the Public - as part of Independence Day Celebrations
2013

Member of Organising Committee, Youth Health Mela 2012 "Awareness program for the youth
on Health"
Public Awareness Programme which was conducted for five days which created
awareness about health and illness and thousands of people were benefitted.

Organised an Awareness programme for Cancer Survivors Day 2011

Vaayum Vaiyirum, Health Education Programme in All India Radio, Madras 15th March 1995 and 23rd May 1995

Alcohol and the gastrointestinal disorders, health Education programme in All India Radio, Madras

DETAILS OF CONTRIBUTIONS TO SOCIETY

Some of the major initiatives of Prof. S.M. Chandramohan are:

- Instrumental in starting the 'Transplant clinic' at Madras Medical College and Rajiv Gandhi Government General Hospital. First Government Institution in our State.
- Instrumental in starting the 'Obesity Clinic' at Madras Medical College and Rajiv Gandhi Government General Hospital. First Government Institution in our State.
- Launch of 24 hour helpline - +91 94449 01234 and email consultation facility on gastrointestinal diseases at the Government General Hospital, Chennai - a first for a government institution – ghgastro@gmail.com and ghgastro@tn.gov.in
- Partnership with a charitable organisation to provide pain and palliative care to cancer patients.
- Public outreach programmes for awareness building – Anti-tobacco and anti-alcohol day in 2009 and 2008. Students were encouraged to participate in competitions on these themes, to enhance their social involvement.
- Cancer survivors' day and International Women's Day held in 2008, to bring about awareness on the nature of diseases, prevention and cure.
- Suicide prevention day was held in 2007, again with a focus on students who are, anecdotally, found to be at high risk. They are vulnerable when confronted with extraordinary pressures such as performance in examinations.
- Outreach programmes held in remote rural locations, to generate awareness as well as set best practice for local medical professionals and other staff on timely referral of patients to hospitals for various conditions. One such programme was held in 2005 in the aftermath of the tsunami which also provided short-term care and counselling for those affected. In 2001, a programme was held in the hill town of Udhagamandalam to help tribal residents, among others, and similarly in Kancheepuram district of Tamil Nadu.
- A charitable trust in the field of gastroenterology started was started and it continues to help patients – the GE Care Trust.
- Outreach support group is being run for a specific group of patients, the Esophageal Patient Support Organisation (EPSO).
